On Tuesday 10th November Miss Marin-Tello and Mr Garcia took a group of children to Into Film Festival at the Spanish Cervantes Institute in Manchester. We all enjoyed watching the Spanish film 'Justin y la espada del valor' (Justin and the Knights of Valour) in the Spanish original version with English subtitles. The animated film was directed by Manuel Sicilia and produced by Antonio Banderas. The film tells us the story of a young boy who starts a quest to become a knight and turns into a man along the way.

Thank you to everyone that came to the meeting on Monday about pupil premium and free school meals. If you would like any further information about this please see Sharon Egan or the school office. Thank you.
