NEWSLETTER

Our new school is coming along nicely!

Some of our pupils visiting the site and helping with the work!

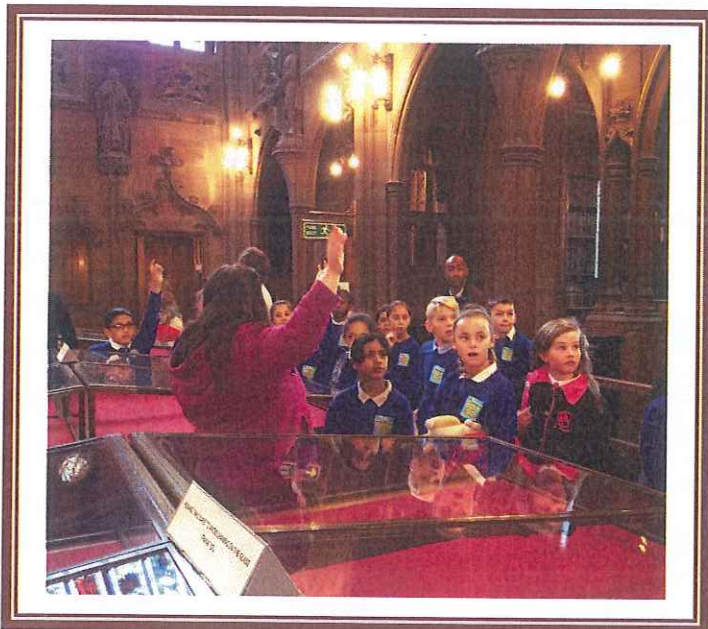

Some of our children have been lucky enough to visit the site of the new build. A piece of these children will be forever in the school as they were able to write their names on a beam. The children then watched the beam being lifted and fitted into the rest of the new school. The children were also told that when they next visit the new school build, there might even be walls and floors! Ridwan and Chloe from Year 6 will be creating a scrap book to document the progress of the new build. The children back at school will be able to see the photographs of the new build during assembly time.

THURSDAY 8TH October is POETRY DAY

**THANK YOU! THANK YOU!
THANK YOU!**

Gorton Mount Primary Academy says a huge thank you to Kalu of Sainsbury's School Games for donating 50 bedding sets for our most needy families.

Class 22 last week attended a Fantasy Writing workshop at John Rylands Library. First of all the children were given a tour of the library. They were keen to learn about how the books were kept, how old they were and how the general public could come and read them.

Next they took part in a Fantasy Writing workshop. Their stories included settings ranging from castles to deserted schools, and characters from ghosts to vampires. The stories were very atmospheric and spooky. The children chose very interesting vocabulary and phrases to entertain the reader. We could see many budding authors amongst our crowd! Very well done Y6.

Next week we will hear about Class 21 and how their book making workshop went.
